

Friends of Union County Library (FOUCL) Prepare for “Everything Christmas” Sale

Sorting Donations: FOUCL Members Frances Mason, Jackie Volk, and Nancy Bryant

Are you overwhelmed with too many Christmas collectibles, decorations, and supplies? The Friends of Union County Library would like to remind everyone that collection has started for donations to our “Everything Christmas” fundraiser.

Volunteers are accepting donations of all reusable Christmas items every Thursday and Saturday in October. Collection is inside the Union County Public Library in Blairsville between 10:00 AM and 1:00 PM. There is also a donation box available just outside the Friends Room in the library for leaving Christmas-related items throughout October. Some suggested donations include tree ornaments, unused cards and gift wrap, Christmas cake pans, Christmas craft projects (finished or supplies), and those collectibles that take too much space and energy. Bring “Everything Christmas” and drop it off for our sale!

“Everything Christmas” is a specialty sale of previously loved Christmas treasures at bargain prices. The event will take place in the Union County Public Library Community Room on Friday, November 2, from 9:00 AM until 3:00 PM and on Saturday, November 3, from 10:00 AM until 1:00 PM. All proceeds will benefit Union County Public Library.
